***You’ve probably never been on a blind date quite like this!***

**Blind Date** is a unique dining event **hosted by the Jerusalem Institute for the Blind** utilizing the power of the darkness to clear away the expectations created by sight. In this powerful presentation, sensing is perceiving.

**Blind Date** will give diners a first-hand **glimpse into the lives of those who are blind or visually impaired**, and will take them on an unforgettable culinary journey in the dark, safely and comfortably. You will have the opportunity to meet and converse with

others at your table **relying entirely on your non-visual senses** while enjoying a gourmet meal prepared by Genadeen Caterers.

**Tickets: \$150 / person**
